Hello Robin,

Welcome back from your time away from the office.

Now that your back EPA would like to conduct a meeting with you and others from WDNR to provide a status update on EPA's review of WDNR rule packages. Please review your calendar and let me know what date(s) and times are available. EPA is looking at possibly meeting with WDNR by the end of this week or perhaps early next week. Please get back to me ASAP with your availability. The Region will send out an official meeting notice.

Thanks!
